IN RE: Application of Advantage Telecommunications, ) ORDER CANCELLING  
Corp. for a Certificate of Public Convenience ) CERTIFICATE ✓  
and Necessity to Provide Intrastate Resold )  
Interexchange Telecommunications Services )  
within the State of South Carolina. )

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Advantage Telecommunications, Corp. ("Advantage" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide intrastate resold interexchange telecommunications services in the State of South Carolina.

By letter dated March 26, 2002, Advantage, through its counsel, advised the Commission that the Company was requesting cancellation of its Certificate to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina. Advantage's authority to provide resold telecommunications services was granted by Order No. 2000-0403, issued May 5, 2000.

As reasoning for its request, Advantage states that the Company no longer has any customers in South Carolina, and therefore, wishes to withdraw its certification.

As Advantage, by its own acknowledgment, is not providing the services for which its Certificate was granted, the Commission finds and concludes that Advantage's Certificate of Public Convenience and Necessity to provide intrastate resold

interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate resold interexchange telecommunications services authorized by Order No. 2000-0403, dated May 5, 2000, issued in the instant docket to Advantage Telecommunications, Corp. is hereby cancelled.

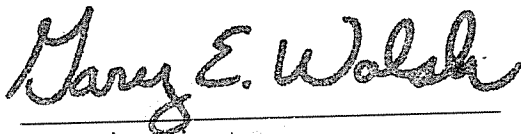

2. This Order shall remain in full force and effect until further Order of the Commission.

IT IS SO ORDERED.
